Dear Debbie,

You have been on my mind recently and I wanted to drop you a note to say hello. This year we had thirty people at our house for Easter. I worked for weeks to prepare and make everything just right. Both the kitchen and dining room tables were beautifully set with all the trimmings and flowers. All day my guests were complimenting me and the house, it was so wonderful. I want to thank you for all your good work and for teaching me so much about how to bring out the best in our home.

I hope all is well with you and your family. Best wishes for a wonderful summer.

Best regards,
