

Why treat head lice when you can **PREVENT** it?

Introducing **Zippity Doo's™** children's hair care that helps prevent lice!

Zippity Doo's™ children's hair care products serve to repel and help prevent the infestation of lice and other insects - as opposed to post-infestation treatments. **Natural prevention instead of harsh treatments!**

Zippity Doo's™ breakthrough formulas contain many certified organic ingredients that not only repel lice, but are so mild they can be used daily while providing health benefits to the hair and scalp of children. Prevent the risk of over diagnosis which can lead to unnecessary treatments containing pesticides.

SHAMPOO FOR CHILDREN

Zippity Doo's™ Shampoo for Children was created to help repel lice and other insects from the hair. Made with a special combination of natural ingredients, including Vitamin D, Carrot Seed Oil, Alpha Hydroxy, Rosemary, Cinnamon, Tea Tree, Anise & Lavender designed to promote healthy hair & scalp while repelling lice & other insects.

Infused with natural ingredients which have been shown to repel lice and other insects from the hair.

Use as a first line of defense to create maximum protection against lice infestation along with Zippity Doo's™ Leave-In Conditioner/Detangler Spray and Hair Gel.
